

ADMISSIONS PROCEDURE

Once a month, on a Friday morning during term time (9.45a.m.), prospective parents are welcome to view the School at work.

Visits are by prior arrangement as numbers are limited, therefore, please contact the School office beforehand.

Completion and receipt of the Registration Form with £100.00 (non-returnable) registration/administration fee places your child on their peer group class list or waiting list.

To aid administration, kindly inform the School office of any change to contact details while awaiting a place offer or if your circumstances change and wish your child's name to be removed from the class waiting list. Thank you.

Notification of a place is sent by letter at the beginning of the Spring term for registered Reception and Nursery children to confirm acceptance of their September place.

ASSESSMENTS

There is not an entry assessment for the Early Years Nursery and Reception classes.

For Year 1 upwards, children are invited to spend a period of time during the School day with their peers for assessment of social and academic ability before a confirmed place is offered. (Is Westward the right school for your child?)

The School must feel confident that prospective pupils will benefit from the education offered.

The assessment fee is £30.00, non returnable.

Both at the application stage and also later in the admissions process it is really important that parents notify the School about any special educational needs or disabilities. We request that parents of pupils with existing special educational needs or disabilities submit any educational psychologist reports or other documentation to the Headteacher who will then meet with the

family and consult with the
ENCO
and relevant class teacher.
