Drama and Music are taught by specialist teachers to encourage confidence and performance skills.

DRAMA

Pupils from Year 1 – 3 have the opportunity to take part in external speech examinations for the London Academy of Music and Dramatic Art (LAMDA).

Pupils in Year 4 & 6 take part in the English Speaking Board examinations (ESB), Senior Introductory level.

Pupils in Year 5 work towards their 'Interview Technique' examination in the Summer Term in preparation for the senior school exams.

Developing children's self esteem is a high priority at Westward and we encourage all our pupils to become involved in all aspects of School life.

Concerts are held on an annual basis in the Early Years, Lower and Upper School with all children taking part.

MUSIC

Westward aims to provide an environment where music is fun and an integral part of life therefore stimulating a love of music.

Our music includes singing, percussion, musical appreciation, improvisation and performance skills. Children in Years 2, 3 and 4 learn the recorder and many children take individual lessons in voice, woodwind, guitar, violin and piano.

Our flourishing choir has performed at Senior Citizens' homes, The Walton Festival of Light event and the Surrey Schools' Concert. The orchestra also performs regularly at our Christmas and Easter services held at St Andrew's Church.

ART

Art is an integral part of the curriculum at Westward. Children become creative and imaginative experimenting with practical activities throughout the School years.

In the Early Years children are provided with opportunities to explore and share their ideas through different art forms, including paint, drawing and collage whilst using a variety of materials. They build on these early experiences throughout Lower and into Upper School experiencing more complex activities which enable them to confidently apply a wide range of techniques and skills.

In Years 5 and 6, an Art Scholarship Group, comprising of pupils who have been identified as having potential artistic talent, meet on a weekly basis to work towards producing an art portfolio for their senior school entry.

In the four years the Art Scholarship Group has been running, Westward are very proud to have been awarded eight art scholarships from leading independent schools.

Children's artwork is celebrated around the School and displayed in external Art Exhibitions.
